Cyberport Welcomes Government Appointments to the Board of Directors

Hong Kong, 23 Mar 2023 – Hong Kong Cyberport Management Company Limited (Cyberport) welcomes the Government’s appointment of two new Directors and re-appointment of four serving Directors to its Board of Directors from 1 April 2023 to 31 March 2025.

The new Directors are Mr Jack Kong Jianping and Dr Derrick Pang Yat-bond. The four re-appointed Directors are Mr Victor Ng Chi-keung, Dr Charleston Sin Chiu-shun, Mr Eric Yeung Chuen-sing and Mr Lau Kwok-fan.

Mr Simon Chan, Chairman of Cyberport, said, “We are very pleased with the appointment and re-appointments of Cyberport’s Board of Directors by the Government. I look forward to working closely with the new and current directors to continue to lead the Cyberport team in nurturing the start-up community as well as innovation and technology (I&T) talents, propelling digital transformation of businesses in Hong Kong, accelerating Hong Kong’s integration into the national development, ultimately transforming Hong Kong into an International I&T Centre.”

Mr Simon Chan added, “I would also like to thank the outgoing Directors Professor Ling Kar-kan and Ms Rosana Wong Wai-man for their dedication during their term as Directors of Cyberport. Their valuable advice and expertise have been critical to the development and corporate governance of Cyberport.”

About Cyberport

Cyberport is Hong Kong's digital technology flagship and incubator for entrepreneurship with over 1,900 members including over 800 onsite and close to 1,100 offsite start-ups and technology companies. It is managed by Hong Kong Cyberport Management Company Limited, wholly owned by the Hong Kong SAR Government. With a vision to be the hub for digital technology, thereby creating a new economic driver for Hong Kong, Cyberport is committed to nurturing a vibrant tech ecosystem by cultivating talent, promoting entrepreneurship among youth, supporting start-ups, fostering industry development by promoting strategic collaboration with local and international partners, and integrating new and traditional economies by accelerating digital transformation in public and private sectors.
