Cyberport Welcomes Three New Government Appointments to the Board of Directors

Hong Kong, 30 March 2020 – Hong Kong Cyberport Management Company Limited (Cyberport) welcomes the Government's appointment of Professor Christopher Chao, Mr Michael Leung and Ms Ivy Cheung to its Board of Directors, for a two-year term with effect from 1 April 2020. Cyberport also expresses its appreciation for its two outgoing board members – Professor Philip Chan and Mr Humphrey Choi for their invaluable guidance to the work of Cyberport during their terms.

The Government has also re-appointed four incumbent directors, including Dr George Lam, Professor Karen Chan, Mr Duncan Chiu and Mr Hendrick Sin, for a term of two years ending on 31 March 2022.

Dr George Lam, Chairman of Cyberport, said, "Hong Kong's economy has been shaken by the coronavirus epidemic and the uncertainties of the global economy. In these difficult times, innovative technologies play a key role in sustaining Hong Kong's long-term economic growth, and it is particularly important for Cyberport to play its part in driving the development of innovation and technology amid the immense challenges ahead. We are very pleased that the Government has appointed three distinguished community leaders with rich experience and expertise from the academia, technology and financial services sectors, respectively, to join Cyberport's Board of Directors. I look forward to collaborating with the three new directors and current directors to continue to lead the Cyberport team in supporting Hong Kong's innovation and technology industry, promoting and facilitating the digital transformation of Hong Kong's economy, and contributing to the expansion of Cyberport."

Dr George Lam added, "I would also like to thank Professor Philip Chan and Mr Humphrey Choi for their hard work as directors of Cyberport. They have imparted invaluable advice for the development strategies and corporate governance of Cyberport, and have helped to lay a solid foundation for the future development of Cyberport. I sincerely hope they will continue to support the work of Cyberport after the end of their terms."
