**Notice to  
All Tenants at The Arcade**

Dear Sir/Madam,

**iTalent Recruiter Registration**

*Talents don't just appear out of thin air. But they can be sought out through innovation.*

As part of Cyberport's ongoing effort to inspire and nurture young talents to join the digital tech sector, we would like to bring forward the Cyberport **Talent Acquisition Platform** called **iTalent**, and earnestly invite you to become one of the recruiting companies of the Platform.

**iTalent** - A Cyberport job portal connecting Cyberport community members to a pool of local and global talents aspiring to succeed in the digital technology industry. At the same time, you can utilise the Platform to seek out talent effortlessly all year round, allowing you to focus your efforts on growing your success. The Platform is a cost-effective way for you to enable essential job matching capabilities and streamline your hiring process.
