Dear Sir/Madam,

Cyberport Leisure Activity – Christmas Workshop

Get ready for Christmas, it is just around the corner, so prepare yourself! While purchasing a gift from a store is convenient, there is nothing quite as heartfelt and meaningful as crafting one yourself. This year, we will organize two workshops for you to choose from. Please select the workshop that best aligns with your personal style and preferences.

	Christmas Nutcracker Lightbox Workshop	Pinecone Christmas Tree Workshop
	 <p>If you're looking to add festive joy to your countdown until Christmas day, why not book the finest Christmas Nutcracker Lightbox workshop available? You can make a small Christmas light box with your own hands, transform the glass wooden box, and use the small lighting decorations to bring a little more Christmas atmosphere to your room.</p>	 <p>Pinecones are shaped like a Christmas tree, decorated with pine leaves, dried fruits and resin to make a reserved Christmas tree! Teach you how to use pinecones, match pine leaves and different dried fruits to decorate pinecones into a colorful Christmas tree. Put different shapes of Christmas decorations on the Christmas tree and hang string lights to create a special Christmas atmosphere!</p>
