Cyberport Welcomes HKSAR Government Appointments to the Board of Directors

Hong Kong · 21 March 2025 - Hong Kong Cyberport Management Company Limited welcomes the HKSAR Government's appointment of five new members to its Board of Directors, as well as the re-appointment of three serving members, for the term from 1 April 2025 to 31 March 2027.

The newly appointed Directors are Kenny Chien Kwok-keung, Ivy Chua Suk-lin, Stephen Law Cheuk-kin, James Li Tsz-shu, and Roy Ng Chun-tat. The three re-appointed Directors are Dr Jack Kong Jianping, Hon Lau Kwok-fan, and Dr Derrick Pang Yat-bond.

Simon Chan, Chairman of Cyberport, stated: "We are delighted with the HKSAR Government's appointment and re-appointment of Board members. I look forward to working closely with all fellow Board members to align fully with the Government's series of innovation and technology (I&T) policies and initiatives. Together, we will leverage Cyberport's strengths as Hong Kong's digital technology flagship and AI accelerator to lead our team in driving the development of Hong Kong's digital economy and advancements in AI. We will continue to empower industries through digital transformation and innovation, while also attracting strategic enterprises, start-ups and research talent from both local and overseas to Hong Kong. By fostering the development of 'New Productive Forces', we aim to contribute to Hong Kong's vision of becoming an international hub for AI and I&T."

In addition, the terms of three current members of the Cyberport Board of Directors, Victor Ng Chi-keung, Dr Charleston Sin Chiu-shun, and Prof Eric Yeung Chuen-sing, are coming to an end. Chairman Simon Chan expressed his sincere gratitude to these outgoing members for their significant contributions to advancing Cyberport's overall development. Their efforts have also been instrumental in fostering the sustained growth of Hong Kong's innovation and entrepreneurship ecosystem, as well as its I&T industry, during their tenure.

About Cyberport

Cyberport is Hong Kong's digital technology flagship and incubator for entrepreneurship with over 2,200 members including over 900 onsite and over 1,300 offsite start-ups and technology companies. It is managed by Hong Kong Cyberport Management Company Limited, wholly owned by the Hong Kong Special Administrative Region Government, and committed to the vision to inject new impetus into digital economy and smart city development through innovation and technology, and to connect enterprises to Mainland China and overseas markets. Cyberport strives to nurture a vibrant tech ecosystem by cultivating talents, promoting entrepreneurship among the youth, supporting start-ups, fostering technology industry development by promoting strategic collaboration with local, Mainland Chinese and international partners, and integrating new and traditional economies by accelerating digital transformation in public and private sectors.
